LULING INDEPENDENT SCHOOL DISTRICT**

AGENDA ITEM: Action Item	Date: June 22, 2026
SUBJECT: Updated DAEP Cooperative Agreement – 2026-2027	Submitted by: Erin Warren Related Pages: 10 Pages
<p>BACKGROUND INFORMATION:</p> <p>In April 2026, the Board approved the Interlocal Agreement with Nixon-Smiley CISD for DAEP services. Following that approval, the district received updated overage day projections and conducted a review of Luling ISD's historical DAEP utilization. Based on an analysis of the average number of overage days incurred over the past four school years, district administration renegotiated the number of contracted student days included in the agreement.</p> <p>The revised agreement more accurately reflects the district's historical usage patterns and is expected to reduce overall costs to Luling ISD. By increasing the number of contracted days and reducing the likelihood of exceeding the allotment, the district should incur fewer overage charges, which are billed at a higher daily rate. The revised agreement provides a more cost-effective structure while continuing to ensure access to required DAEP services for Luling ISD students.</p>	
<p>RECOMMENDED ACTION: Motion to approve the updated 2026-2027 Interlocal Agreement for the Cooperative Disciplinary Alternative Education Campus.</p>	<p>BUDGETARY INFO. \$91,848.00</p>
