NOTES	<p>ERSEA-Sutton: On August 30, 2024, the eSchool report reported that 125 students were enrolled. The report should have reported 160 students enrolled in the Head Start program. A class roll sheets were printed indicating the number of students in each classroom but still showing 154 students enrolled. A comparison between the unofficial class roll sheet and the official roll was made. After corrections were made in eSchools the actual enrollment count for the Head Start enrollment for August is 160. This number will be reported to the Head Start Enterprise System.</p>
