

BEAVERTON STUDENT ADVISORY COMMITTEE

The Beaverton School Board believes that perspectives from students should provide significant input into district decisions. In the Fall of 2014 the School Board established the Beaverton Student Advisory Committee (BSAC).

This group serves as an advisory committee to the School Board and the Superintendent, providing input and ideas about key issues in the district. Members represent all of the students in the district and their respective schools. They will share their activities planned to date for the 2016 – 2017 school year.

The BSAC meets regularly throughout the school year and will provide updates to the School Board about matters related to the Student Advisory Committee and district students. Future meetings will be:

March 16, 2017, 6:30 – 8:30 p.m. at Central Office

District Goal: WE empower all students to achieve post-high school success.

The Beaverton School District recognizes the diversity and worth of all individuals and groups. It is the policy of the Beaverton School District that there will be no discrimination or harassment of individuals or groups based on race, color, religion, gender, sexual orientation, gender identity, gender expression, national origin, marital status, age, veterans' status, genetic information or disability in any educational programs, activities or employment.
