Re: 2015-16 Wayne County RESA Budget Proposal

We would like to discuss the 2015-16 Wayne County RESA Budget Proposal at the Finance Committee meeting on Monday, May 4, 2015. We have enclosed the proposed budget and a sample resolution for your view. As you may recall, each school district in Wayne County must approve RESA's budget by June 1 of each year.

We will bring the Wayne County RESA proposed budget and a resolution that we will ask the Board of Education to adopt at the May 18, 2015 regular meeting. Please let me know if you have any questions. Thank you.
