Wanted to email you to let you know I have taken a new job offer to better my financial situation and give my two weeks notice with my last day being 02/14/24. I won't be able to do midday as I'm doing training during the day for the next two weeks. This was a very difficult decision and I am going to miss you all very much but I have to strive to do what is best for myself and the kids at this time.
