**SUBJECT: DISCUSSION AND REQUEST FOR APPROVAL OF THE 2021-2022 ACADEMIC CALENDAR AMENDMENT DUE TO TCLAS REQUIREMENTS**

**DATE:** January 18, 2022

---

The Texas Education Agency and the Texas Covid Acceleration Learning Support (TCLAS) program grant now requires the Additional Days School Year (ADSY) to a minimum of 25 days.

The difference from a year ago with ADSY is that the Texas Education Agency funded school districts with 180 academic days during the regular school year and up to 30 additional school days for summer learning. There was no minimum. With the TCLAS program grant funds, we learned in December of 2021, that we are required to have a minimum of 25 additional days for summer learning and the day be extended from 3 hours to 6 hours each day. The calendar previously approved had 22 days of additional days for summer learning. This amendment includes 3 additional days to the summer learning calendar for a total of 25 days.
