

## **February 2026- Food Service Board Report - Director Johnson McIntosh**

### Food Service:

- SY 2025/2026 Full administrative All Programs
  - NSLP-Adult meals are found to be underpriced. We will recommend the board raise Adult meals to \$8.00 for SY 2027
  - NSLP-Updated sheets for Product Formulation Statements
  - NSLP/SBP-All students must grab meals, staff cannot do this for them.
  - ALL-New Justice for All posters with March 2025 updated civil rights statement
  - ALL- Spreadsheet of consolidated claims needs a second signature and confirmation
  - CACFP-Onsite Counts and claims verification for After School- 3rd review needs to be end of April or beginning of May to avoid a 6 month lapse since the first must be done after October 1
  - SBP-Product counts prior to service must be double checked after service to ensure all students take minimum requirements- training on this was held January 5th
- Local Procurement
  - SY24 1.4% of food purchased was considered local
  - SY25 11.58% of food purchased was considered local
- Grants:
  - Culinary Arts Grant- collaboration between Culinary classes and food service- Culinary arts classes will get \$3,500 to spend on supplies and goods to create recipes that can be utilized in the food service program
  -
- After School Meals
  - Started slow but picking up momentum
- Hydroponic systems in full bloom
  - Watch us Grow!
