

AD Board Report:

High School Basketball:

- 2026 Metlakatla Invitational was a huge success!
- I want to thank everyone that was involved in making that tournament happen and successful, especially the kitchen crew and janitorial staff. It is awesome that we have opportunities to show other places around the state our basketball abilities, but even more awesome is that we get to impress others with our exceptional level of hospitality. Not just an AISD effort but a whole community effort.
- Basketball has since had away games in Haines, home games vs. Wrangell and will be getting ready to travel to Anchorage for a tournament at Lumen Christi.

DDF:

- It happened in December, but I don't believe there has been a meeting since then. The home meet was a huge success as well. Another great group effort, that was guided by the coaches and their time and effort into putting on a strong competition experience is greatly appreciated.
- This was another instance where the hospitality of the district and the community was in full force and it was greatly appreciated by the visiting teams.
- DDF will be heading to Regionals in Juneau at the end of the month, the 30th and 31st, before State which will happen at the end of February.

Middle School Wrestling:

- We have a recommendation for the coach, Sid Brendible. He has already been working with the student-athletes to get prepared for upcoming competitions.
- In Ketchikan 2/6-2/8
- In Craig 2/13-2/15

Middle School Volleyball:

- Season will begin in a few months and we will be conducting interviews for the coaching positions in the next few weeks.
