

A vision of healthy, safe, and resilient communities.

THE POWER OF PARTNERSHIP, THE VALUE OF MEMBERSHIP

2026 SCHOOL MEMBERSHIP OVERVIEW

OUR IMPACT

Our Collaborative strengthens school capacity by helping connect students and families to coordinated supports, improving communication across agencies, and reducing barriers that impact learning, stability, and well-being. Through shared initiatives, prevention efforts, and cross-sector collaboration, we help schools address needs more efficiently and with greater regional alignment. If you would like to learn more, please reach out to pactoffice@pactforfamilies.org to schedule a time for our staff to visit and discuss available programs and supports.
