Proposal for Approval: Stratford High School Volleyball  
Trip to the Ann Kang Invitational Volleyball Tournament  
Honolulu, Hawaii

Dear Ms. Heath,

I am excited to submit this proposal for approval for the Stratford High School varsity volleyball team to participate in the prestigious Ann Kang Invitational Volleyball Tournament in Honolulu, Hawaii. The tournament is scheduled to take place from August 14, 2025, to August 16, 2025. The team would travel from August 10-17.

Stratford volleyball demonstrated exceptional skill, commitment to a positive culture, and dedication to years of training in the 2024 season, finishing an impressive 2nd in the state, and achieving three consecutive years of undefeated district championships. This trip would provide a unique opportunity for the team to bond and grow together, both on and off the court, while competing against some of the best teams in the country.

The Ann Kang Invitational Volleyball Tournament is a highly competitive and respected event, with a long history of attracting top-notch teams from across the nation. Notably, Byron Nelson, the team Stratford volleyball lost to in the state finals last year, won this very tournament, making it an ideal opportunity for our team to test their skills and gain valuable experience early in the season.

The trip would not only provide a chance for the team to compete at a high level but also foster camaraderie and teamwork among the players. The time spent together in a new and exciting environment would help to strengthen relationships, build trust, and create lasting memories.

The details of the trip are as follows:

- \* Dates: August 10, 2025, to August 17, 2025
- \* Location: Honolulu, Hawaii
- \* Tournament: Ann Kang Invitational Volleyball Tournament
- \* Team activities: Competition, team bonding (ropes course, Diamond Head Hike), and exploration of the local area

I have attached a working itinerary, preliminary SBISD Trip Request paperwork, and screenshots from various websites as supporting documentation for projected costs. I am requesting approval for the trip as soon as possible, so that I may begin the fundraising process now, rather than in the summer.

I believe this trip would be a valuable and enriching experience for the Stratford High School varsity volleyball team. I would be happy to provide any additional information or answer any questions you may have.

Thank you for considering this proposal. I look forward to your approval and support for this exciting opportunity.

Sincerely,

Jenny Adcock  
Stratford High School Volleyball Coach
