Dr. Theisinger,

At our most recent TCC AD meeting, wrestling official rates were discussed and we are slightly behind compared to others.

Current Rates

Dual - \$130

Tri - \$145

4+ teams - \$180

Proposed new Rates

Dual - \$130

Tri - \$165

4+ teams - \$180

I am recommending that we adopt these new rates for the coming 2025-2026 season. Ongoing officials' shortages is allowing officials to be more selective as to where they go work games. These rates would keep us near the top and should help us get top level officials for our contests. In the past several years, we've hosted two home events. Our dual rate is still on the higher end, but we rarely host just one school. Typically, we host a triangular. Our triangular rate is really our only rate that is behind.

Thanks,

Chris Newsome
