

Nippersink District 2 Board of Education

The mission of Nippersink District 2 is to foster academic growth, instill integrity, confidence, and civic responsibility while preparing all students for an ever-changing global society.

Curriculum

Kindergarten Conservation District Presentation: Kindergarten students participated in a presentation by the McHenry County Conservation District. Students learned about native ecosystems and animals. They talked about habitats and the importance of learning how we are all interconnected and have an important role in protecting our community.

School Celebrations

PBIS Celebrations—Picnic Lunch: Students earned their December PBIS reward of a picnic lunch. They brought beach towels, ate lunch, and listened to music with friends and staff.

Giving Tree - This year our RGS families and staff supported 2 local families in need through our annual Giving Tree program that we run in coordination with the Richmond/Spring Grove Food Pantry. Students selected “ornaments” with suggested gift ideas off our tree and returned with generous and beautifully wrapped presents that were then gifted to the families. Special

thank you to the Student Council (Mrs. Nieft and Ms. Elliott) and Ms. Kokaska for helping advertise, organize, track, and ensure everyone received their gifts.

Community Resource Fair - January 14th at RGS, thank you to everyone who had a district table or helped organize the event. We had 40 tables with a variety of local groups. Families were served pizza and gathered information about the wonderful resources our community has to offer. Thank you to our maintenance teams for moving tables and chairs, to all our volunteers and committee for helping run the evening, and to Mrs. Flores and Mrs. Stacey for their design of the logo. We look forward to providing another resource fair next year.

RB Student Leadership Team returned January 14th to work on the playground and at lunch with our 2nd and 3rd graders. Students used the Chit Chat cards to talk about their favorite things and played with students at recess. Thank you to Mr. Jackson at RB for helping organize

students to work alongside RGS and SGE!
