

# **Community Education Department Program Report February 2016**

- The Community Education department is working with the Good Shepherd Center in Hazel Crest, IL, with their 25<sup>th</sup> Annual Strong Children/Strong Community, Parent & Community Institute Day. Ms. Bolton is on the Marketing Committee for this event. The event is to be held on Saturday, February 27, 2016 at Prairie State College. There will be several workshops offered and lunch will be provided to those who participate. This event is open to the public. There will be information in English and Spanish available. CPDU's and CEU are also being offered to Professionals or Parents needing training hours.
- Ms. Bolton has been in partnership with United States department of Agriculture on their Summer Food Service Program. This program is designed to provide FREE meals to children in various programs throughout the spring-break and summer months. We will be meeting with the USDA in March, and inviting several community organizations to see how we have a holistic approach to feeding our children during Spring Break and the summer.
