Re: Middle School After School Math Club Advisor

Dear Mr. Erlebach and School Board

I would like to recommend Kathryn Green for the Middle School After School Math Club Advisor. Katie is the 7-8 Math Teacher at the middle school. Katie's purpose for the Math Club is to increase students' math skills through targeted assistance and to promote community, culture, and math skills through board and card games.

Sincerely,

Lori Dilbeck

Principal, Neah-Kah-Nie Middle School
