Re: High School Principal Report Aug 2022

Greetings from HHS!

Registration is this next week and we are creeping in on the first days back with teachers. This week August 3rd and 4th we will attend the IASA conference in Boise with many of the administrators from across the state. It is always nice to get back in the right mindset at the IASA conference as we prepare for another school year.

We are looking forward to another great year here at HHS. We obviously will be “under construction” in many ways on our campus throughout this year but we are excited about the direction these new facilities and additions will provide for our students here at HHS. We are very fortunate to have strong community support for our schools and that support is imperative in achieving the goals we have for our students in preparing them for life after high school.
