Requesting Campus: Trautmann Middle

Campus Principal/Director: Gilbert Moreno

Originators Email: gmoreno82@uisd.net

Board Member: Mr. Javier Montemayor

Board Member: Ms. Dianelle Martinez

Board Member: Any other Board Member willing to contribute to this project.

Description of Request:

Request to assist with a critical project to update the Audio Visual (A/V) equipment in our school library which includes a modern laser projector, new audio system, and laptop. Our current A/V equipment is outdated and no longer meets the needs of a modern learning environment. The existing projector is dim (requiring all lights to be off for better visibility), the sound system is a small USB speaker and the laptop takes long to start and shut down and often freezes. It's performance suffers when running multiple applications which is a constant issue that disrupts lessons and presentations. An investment in new, high-quality A/V equipment will have a profound and lasting impact on our school community. We have attached a detailed breakdown of the equipment specifications and costs for your review. Any financial contribution will be greatly appreciated and any remaining balance TMS can fundraise the rest.

Estimated Cost of Request: \$13,779.14 (D. Martinez - \$2,500 / A. Oliveros - \$1,000)
J. Montemayor - \$3,500
