
Suspension Procedures

In-School Suspension

The Superintendent or designee is authorized to maintain an in-school suspension program. The program, if any, shall include, at a minimum, each of the following:

1. Before assigning a student to in-school suspension, the reasons for the suspension will be explained and the student will be given an opportunity to respond to the reasons.
2. Students are supervised by licensed school personnel (e.g. paraprofessional).
3. Students are given an opportunity to complete classroom work during the in-school suspension for equivalent academic credit.

Out-of-School Suspension

The Superintendent or designee shall implement suspension procedures that provide, at a minimum, for each of the following:

1. A conference during which the reasons for the suspension will be explained and the student will be given an opportunity to respond to the reasons before they may be suspended.
2. A pre-suspension conference is not required, and the student can be immediately suspended when the student's presence poses a continuing danger to persons or property or an ongoing threat of disruption to the educational process. In such cases, the notice and conference shall follow as soon as practicable.
3. An attempted phone call to the student's parent(s)/guardian(s).
