

Agenda Item B - Recognitions and Celebrations

Ashley Davenport - Texas All-State Band

Ashley Davenport was selected for the Texas All-State Band. Ashley auditioned against the best players in our region and earned her chair in the All-State Band on January 11. This prestigious honor is the highest that a band student can achieve while in high school and Ashley has done it twice. Last year as a freshman, Ashley made the band....the first from Mineola since 2002. The band directors are very proud of Ashley and her accomplishments. She is among the six best players on her instrument in the state and that is incredible. Ashley is also a strong academic student at Mineola and holds a leadership position in the band. She is truly a talented student. Ashley attended the All State Band Clinic & Concert in San Antonio on February 11-14, where she performed with the All State Band.
