

CROSBY - IRONTON

SCHOOL DISTRICT 182

Activities Director/Dean of Students Report

April 19, 2023

News/Notes

- Due to the weather this Spring our activities have been stuck inside for practices for the majority of the season so far. Finally within the last week we were able to get outside for a few practices and then this week for contests!

Athletics Updates

Softball

- The Softball team traveled to Northwestern University - St. Paul last week and played on an all Turf field for a DoubleHeader vs Staples-Motley. They dropped both games to the Cardinals but it was our first time on a Softball field this year! On April 18th we traveled to Detroit Lakes and split a DoubleHeader with the Lakers for our first win of the season and also win #1 in Coach McDonald's career.

Baseball

- Our Boys Baseball team traveled to Detroit Lakes and dropped both games of the Double Header for their first games of the season. Much like our Softball team though it was the boys first time on a baseball field this season.

Track & Field

- Keeping the trend our Track & Field team finally were able to compete on April 18th in Brainerd for their first meet of the season. For many of the athletes it was only their 3rd or 4th time on a Track this year but they came away with some great performances. Joe Ringhand won the boys 1600m run, John Paul Fitzpatrick won the boys Pole Vault and Lucy Lewendowski placed 2nd in the Girls Pole Vault. The Rangers had numerous other scorers in the meet against mainly AA competition.

Boys & Girls Golf

- The Boys & Girls Golf team has probably had the roughest start to their season and haven't been able to practice outside as of yet. There are some meets scheduled for this upcoming week as long as the Golf Courses dry out and they are hoping to get onto an actual course for practice this week as well.

Upcoming Events

- We have many postponed and rescheduled events upcoming over the next month and unfortunately we expect we will have to reschedule more. Our fields are very wet and damp so we are hoping for some drier and warmer weather in the coming weeks that will allow our Student-Athletes to actually compete.

***Please see the second page for updated Activity Registration Numbers.**

Respectfully submitted,

Cley Twigg

Activities Director/Dean of Students
