

Validation Notes for the Report Card (RC) At-A-Glance Report - Version 2018.09.27

This is an updated preview of the school and district At-A-Glance Reports. There are 3 report types:

- Elementary/Middle
- High School
- District.

The Oregon Department of Education (ODE) removed college going rates from the High School RC At-A-Glance Report due to concerns with the accuracy of the post-secondary enrollment data received from the National Student Clearinghouse. The ODE anticipates returning this data element to the High School RC At-A-Glance Report in 2018-19.

Schools and districts need to submit the following information to the RC Narrative Collection in the Achievement Data Insight: **Schools/District Goals**, **Safe & Welcoming Environment**, and **About Our School**. Please note that the RC Narrative Collection will close on September 28, 2018.

Year-to-year progress in English language arts and mathematics.

Academic Success

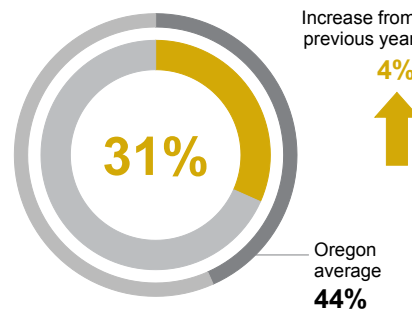

ENGLISH LANGUAGE ARTS

Students meeting state grade-level expectations.

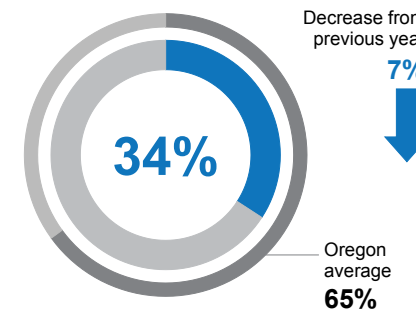

MATHEMATICS

Students meeting state grade-level expectations.

SCIENCE

Students meeting state grade-level expectations.

School Goals

Our staff is committed to student achievement and will continue to use the Common Core State Standards to guide instruction at higher levels of rigor. We will continue to sustain an intense focus on literacy and math fluency in the coming year as we implement a growth mindset in our application of new instructional strategies aimed at providing all students with the skills they need to be college and career ready. We encourage you to contact the school with any questions, concerns, or information that will help us ensure success for your student.

State Goals

The Oregon Department of Education is working in partnership with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

Each of our schools should be a place that our students and families want to come into. We celebrate our community's diversity and want to see it reflected in our schools. We carry the responsibility for our students feeling both physically and emotionally safe when they are with us.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

The Parkrose School District uses the Positive Behavior Support system to teach and encourage positive interactions and a Restorative Justice model to help repair and reteach when there have been missteps. We have policy in place to guide the reporting and response to any incidents of bullying or harassment and we are part of the county-wide Threat Assessment Team to help address reports of safety concerns.

EXTRACURRICULAR ACTIVITIES

SUN Schools

PARENT ENGAGEMENT

All our schools have monthly PTO meetings that we invite every family to attend. We also work through social media to communicate school events and celebrations with our community. The school's website has information about upcoming events like Back to School Nights and other Open Houses and events throughout the year.

COMMUNITY ENGAGEMENT

All our schools have monthly PTO meetings that we invite every family to attend. We also work through social media to communicate school events and celebrations with our community. The school's website has information about upcoming events like Back to School Nights and other Open Houses and events throughout the year.
