### **CCS ELEMENTARY INFORMATION:**

- At this time, we have 2 elementary school students participating in independent study through CCS during the 2025/26 School Year. 1 student is 1.0 FTE in CCS and the other is 0.5 FTE in CCS and 0.5 FTE at Mt. Eccles Elementary School.

### **SCHOOL ACTIVITIES/EVENTS**

- The school year started on Wednesday, August 20th, and was a huge success! Students entered the building with so much excitement for the new school year and big smiles on their faces. And there were no tears in kindergarten (with the exception of a few loving parents)!

- Cordova Arts & Pageants arranged a school swing and jazz band performance for Mt. Eccles Elementary School students on Monday, August 25th and this experience was amazing! Students enjoyed the music and interactions with the band members very much. A big thank you to Anita Smyke for including our students in the fun community event.

- Student Enrichment Time is going well. We have incorporated Cordova City Library reading times, Discovery Room with the Science Center, RULER Social Emotional Learning lessons, Digital Citizenship lessons and school library times into this extra learning time for students. We are planning to bring in Fire Department visits, Prince William Sound Science Center lessons and NVE Crafts during this time as well in the coming months. A big thank you to Kate Trudeau for all of her ideas and support with the planning and organization of Enrichment Time as well.
- NWEA/MAP test windows for the beginning of the school year begin on September 8th. We are looking forward to gathering more information about our students in order to inform our instruction.
- Culture week is scheduled for September 22nd-26th. Teachers will meet with craft teachers on Friday, September 19th in order to prepare for this amazing week. A big thank you to Danaya Hoover for all of the hard work and planning that goes into this event.
- Charleston Wrap Fundraiser is beginning on September 8th and will continue through September 26th with funds raised for Eccles Pride Fund.

- One School, One Book has shipped our order and we are hoping that they arrive in time to start reading the first book from September 22nd-October 17th. The second book will be read from January 19th-February 13th in conjunction with this year's Read-A-Thon. Another huge thank you to Cordova Electric Cooperative for sponsoring this program for the 2025/26 School Year.
- Our first fire drill was a success! It was held on September 4th at 9:00 a.m. and evacuation of the building was completed in 1 minute 34 seconds.

### **STAFF PROFESSIONAL DEVELOPMENT OPPORTUNITIES**

- Our Really Great Reading HD Word in Infercabulary Training during In-Service was a success. Teachers are ready to begin using this intervention tool as soon as the beginning of the year assessment data has been collected. Our training and support representative will be providing Infercabulary Training during our Professional Development time on September 12th and will be back on campus for in-person support on October 8th.
- AK Star Results are now available to our staff at Mt. Eccles and we will spend time looking at this data/information to inform our instruction for the 2025/26 School Year during our Friday In-Service time in September.
- We are looking forward to utilizing mClass Tutoring at Mt. Eccles Elementary School during the 2025/26 School Year and will share more information about this resource and training plans as soon as CLSD Funds are confirmed.

### **SITE COUNCIL SUMMARY**

A Site Council meeting was not held in August. A Site Council Meeting is planned at Mt. Eccles on September 17th from 5:00-6:00 p.m. I am planning to discuss Principal's Goals for the 2025/26 school year, share a Yale Ruler in Practice Update with families, and discuss future meeting topics at our first meeting. Future meeting topics, dates and times TBD.

### **IMPORTANT UPCOMING DATES**

September 8th-26th Charleston Wrap Fundraiser  
September 10th School Board Meeting 7:00 p.m. CHS Media Center  
September 17th Mt. Eccles School Site Council Meeting 5:00-6:00 p.m. MES Commons
