## 1662 - **EMPLOYEE ANTI-HARASSMENT**

### **Prohibited Harassment**

The Board is committed to a work environment that is free of harassment of any form. The Board will not tolerate any form of harassment and will take all necessary and appropriate action to eliminate it. Any member of the School District community who violates this policy will be subject to disciplinary action, up to and including termination of employment. Additionally, appropriate action will be taken to stop and otherwise deal with any third party who engages in harassment against our employees.

The Board will vigorously enforce its prohibition against harassment based on race, color, national origin, age, sex (including transgender status, change of sex, sexual orientation, or gender identity), pregnancy, creed or religion, genetic information, handicap or disability, marital status, citizenship status, veteran status, military service (as defined in 111.32, Wis. Stats.), national origin, ancestry, arrest record, conviction record, use or non-use of lawful products off the District's premises during non-working hours, declining to attend an employer-sponsored meeting or to participate in any communication with the employer about religious matters or political matters, or any other characteristic protected by law in its employment practices (hereinafter referred to as "Protected Characteristics"), and encourages those within the School District community as well as third parties, who feel aggrieved to seek assistance to rectify such problems. The Board prohibits harassment that affects tangible job benefits, interferes unreasonably with an individual's work performance, or creates an intimidating, hostile, or offensive working environment. Harassment may occur employee-to-employee, employee-to-student, male-to-female, female-to-male, male-to-male, or female-to-female.

The Board will investigate all allegations of harassment and in those cases where harassment is substantiated, the Board will take immediate steps calculated to end the harassment, prevent its reoccurrence, and, if applicable, remedy its effects. Individuals who are found to have engaged in harassment will be subject to appropriate disciplinary action.

For purposes of this policy, "School District community" means individuals subject to the control and supervision of the Board including, but not limited to, students, teachers, staff, volunteers, and Board members, agents, contractors, or other persons.

For purposes of this policy, "third parties" include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with the District, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off School District property).

### **Definitions**

"Harassment" means any threatening, insulting, or dehumanizing gesture, use of data or computer software, or written, verbal or physical conduct directed against a school employee on the basis of the employee's Protected Characteristics that:

- A. places a school employee in reasonable fear of harm to his/her person or damage to his/her property;
- B. is sufficiently severe, pervasive, and persistent so as to create a hostile working environment which materially alters the employee's working conditions from the perspective of a reasonable person similarly situated;
- C. has the effect of substantially disrupting the orderly operation of a school or any other aspect of the District's operations.

### **Sexual Harassment**

Pursuant to Title VII of the Civil Rights Act of 1964 and Title IX of the Educational Amendments of 1972, "sexual harassment" is defined as unwelcome sexual advances, requests for sexual favors, and other physical, verbal, or visual conduct based on sex constitutes sexual harassment when:

- A. a supervisory employee engages in harassing behavior towards a subordinate employee, regardless of whether such conduct creates a hostile work environment;
- B. acquiescence in or submission to such conduct is an explicit or implicit term or condition of employment;
- C. an individual's acquiescence in, submission to, or rejection of such conduct becomes the basis for employment decisions affecting that individual;
- D. such conduct is sufficiently severe, pervasive, and persistent such that it has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment;
- E. consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism results in an adverse employment action for another employee or otherwise creates a hostile work environment;
- F. inappropriate boundary invasions by a District employee or other adult member of the District into a student's personal space and personal life.

Sexual harassment may involve the behavior of a person of either gender against a person of the same or opposite gender.

Prohibited acts that constitute sexual harassment may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

- A. unwelcome sexual propositions, invitations, solicitations, and flirtations;
- B. physical and/or sexual assault;
- C. threats or insinuations that a person's employment, wages, promotion, assignments, or other conditions of employment may be adversely affected by not submitting to sexual advances;
- D. unwelcome verbal expressions of a sexual nature, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, jokes or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls, text messages, or social media postings;
- E. sexually suggestive objects, pictures, videotapes, audio recordings, or literature, placed in the work or educational environment, which may embarrass or offend individuals;
- F. unwelcome and inappropriate touching, patting, or pinching; obscene gestures;
- G. a pattern of conduct, which can be subtle in nature, that has sexual overtones and is intended to create or has the effect of creating discomfort and/or humiliation to another;
- H. remarks speculating about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history;
- I. consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment; and
- J. verbal, nonverbal or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.

Sexual relationships between staff members, where one staff member has supervisory responsibilities over the other, are discouraged as a matter of Board policy. Such relationships have an inherent possibility of being construed as sexual harassment because the consensual aspect of the relationship may be the result of implicit or explicit duress caused by uncertainty regarding the consequences of non-compliance.

Romantic or sexual relationships between District staff (teachers, aides, administrators, coaches or other school authorities) and a student is expressly prohibited. Any school staff member who engages in sexual conduct with a student may also be guilty of a crime and any information regarding such instances will be reported to law enforcement authorities.

### **Religious (Creed) Harassment**

Prohibited religious harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's religion or creed and when the conduct has the purpose or effect of interfering with the individual's work performance; or of

creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's religious tradition, clothing, or surnames, and/or involves religious slurs.

### **National Origin Harassment**

Prohibited national origin harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's national origin and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's national origin, such as negative comments regarding customs, manner of speaking, language, surnames, or ethnic slurs.

### **Age Harassment**

Prohibited age based harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's age, being over age forty (40), and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment.

### **Race/Color Harassment**

Prohibited race/color based harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race and/or color and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment.

### **Disability Harassment**

Prohibited disability harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's disability, perceived disability, or record of disability, and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's current or past disabling condition or a perceived condition, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like. Such harassment may further occur where conduct is directed at or pertains to a person's genetic information.

### **Reports and Complaints of Harassing Conduct**

Members of the School District community and third parties, which includes all staff, are encouraged to promptly report incidents of harassing conduct to an administrator, supervisor or other District official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. Any administrator, supervisor, or other District official who receives such a complaint shall file it with the District's Compliance Officer at his/her first opportunity.

Members of the School District community or third parties who believe they have been harassed by another member of the School District community or a third party are entitled to utilize the Board's complaint process that is set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the complaining individual's employment unless the complaining individual makes the complaint maliciously or with knowledge that it is false.

Reporting procedures are as follows:

- A. Any employee who believes s/he has been the victim of harassment prohibited under this policy is encouraged to report the alleged harassment to the appropriate school official as identified in D below.
- B. Teachers, administrators, and other District officials who have knowledge of or receive notice that an employee has or may have been the victim of harassment prohibited under this policy shall immediately report the alleged harassment to the appropriate school official as defined in D below.
- C. Any other person with knowledge or belief that an employee has or may have been the victim of harassment prohibited by this policy shall be encouraged to immediately report the alleged acts to an appropriate school official as identified in D below.
- D. Appropriate District officials are as follows:
  1. Any complaint under this policy shall be reported to the District's Compliance Officer unless the complaint is regarding the Compliance Officer. In such cases, the complaints shall be reported to the District Administrator, who shall assume the role of the District Compliance Officer for such complaints.

2. Any complaint under this policy regarding the District Administrator or Board Member that is received by the District Compliance Officer shall be referred to the Board's legal counsel, who shall assume the role of the District Compliance Officer for such complaints.
- E. The reporting party or complainant shall be encouraged to use a report form available from the Principal of each building or available from the District office, but oral reports shall be considered complaints as well. Use of formal reporting forms shall not be mandated. However, all oral complaints shall be reduced to writing. Further, nothing in this policy shall prevent any person from reporting harassment directly to the District Administrator.
- F. To provide individuals with options for reporting harassment to an individual of the gender with which they feel most comfortable, the District shall designate both a male and a female District Compliance Officer.

### **District Compliance Officers**

The Board designates the following individuals to serve as the District's "Compliance Officers" (hereinafter referred to as the "COs").

Elementary Principal  
(School District Title)

(715) 453-2126  
(Telephone Number)

1048 E King Rd.  
(Office Address)

High School Principal  
(School District Title)

(715) 453-2106  
(Telephone Number)

1048 E King Rd.  
(Office Address)

The names, titles, and contact information of these individuals will be published annually:

- A. in the parent and staff handbooks.
- B. on the School District's web site.

A CO will be available during regular school/work hours to discuss concerns related to harassment, to assist students, other members of the School District community, and third parties who seek support or advice when informing another individual about "unwelcome" conduct.

The COs are assigned to accept complaints of harassment directly from any member of the School District community or a visitor to the District, or to receive complaints that are initially filed with a school building administrator. Upon receipt of a complaint either directly or through a school building administrator, a CO will begin either an investigation or the CO will designate a specific individual to conduct such a process. The CO will prepare recommendations or will oversee the preparation of such recommendations. All members of the School District community should report incidents of harassment that are reported to them to the CO within two (2) business days of learning of the incident.

### **Investigation and Complaint Procedure**

Any employee or other member of the School District community or visitor to the District who believes that s/he has been subjected to harassment or has witnessed harassment of another may seek resolution of his/her complaint through the procedures as described below. Further, a process for investigating claims of harassment and a process for rendering a decision regarding whether the claim of harassment was substantiated are set forth below.

Once the complaint process begins, the investigation will be complete in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

### **Complaint Procedure**

An individual who believes s/he has been subjected to harassment hereinafter referred to as the "complainant," may file a complaint, either orally or in writing with a teacher, Principal, CO, District Administrator, or other supervisory employee. As noted above, any complaint received regarding the District Administrator or a Board member shall be referred to the Board's legal counsel, who shall assume the role of the CO for such complaints. Additionally, if the complaint is regarding a CO, the complaint shall be reported to the District Administrator, who shall assume the role of the CO for such complaints.

Due to the sensitivity surrounding complaints of harassment, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are

known and potential witnesses are available. If a Complainant informs a Principal, District Administrator, or other supervisory employee, either orally or in writing, about any complaint of discrimination or retaliation, that employee must report such information to the CO within two (2) business days.

Throughout the course of the process as described herein, the CO should keep the parties informed of the status of the investigation and the decision-making process.

All written complaints must include the following information to the extent it is available: the identity of the individual believed to have engaged in, or be actively engaging in, harassment; a detailed description of the facts upon which the complaint is based; and a list of potential witnesses.

If the complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter the CO will prepare a written summary of the oral interview, and the complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the complainant from further harassment or retaliation including but not limited to a change of work assignment or schedule for the complainant and/or the alleged harasser. In making such a determination, the CO should consult the Complainant to assess his/her position to the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO may still take whatever actions s/he deems appropriate in consultation with the District Administrator. No temporary arrangements shall be disciplinary to either the complainant or respondent.

Within two (2) business days of receiving a complaint, the CO will inform the individual alleged to have engaged in the harassing or retaliatory conduct, hereinafter referred to as the "Respondent", that a complaint has been received.

The Respondent is not entitled to receive a copy of any written complaint unless the CO determines it is appropriate to do so; however, the Respondent will be informed about the nature of the allegations. The CO shall inform the Respondent of the requirements of this policy, which may include providing the Respondent with a copy of this policy or information about where to find it. Respondent shall be afforded the opportunity to submit a written response to the complaint. The CO shall inform the Respondent of the Respondent's deadline to provide the CO with the written response to the allegations in the complaint.

Within five (5) business days of receiving the complaint, the CO will initiate a formal investigation to determine whether the complainant has been subject to offensive conduct/harassment.

Although certain cases may require additional time, the CO will attempt to complete an investigation into the allegations of harassment within fifteen (15) calendar days of receiving the formal complaint. The investigation will include:

- A. interviews with the complainant;
- B. interviews with the respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations, as determined by the CO;
- D. consideration of any documentation or other evidence presented by the complainant, respondent, or any other witness which is reasonably believed to be relevant to the allegations, as determined by the CO.

At the conclusion of the investigation, the CO shall prepare and deliver a written report to the District Administrator that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of harassment as provided in this policy and State and Federal law as to whether the complainant has been subjected to harassment. The CO's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO, the District Administrator must either issue a final decision regarding whether or not the complaint of harassment has been substantiated or request

further investigation. A copy of the District Administrator's final decision will be delivered to both the complainant and the respondent.

If the District Administrator requests additional investigation, the District Administrator must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the District Administrator must issue a final written decision as described above.

The decision of the District Administrator shall be final. If the investigation results in disciplinary action, the employee subject to discipline is entitled to file a grievance pursuant to Board Policy 3340. Nothing in this policy shall be construed to prevent an employee from bringing a complaint before the Equal Employment Opportunity Commission or the Wisconsin Equal Rights Division.

The Board reserves the right to investigate and resolve a complaint or report of harassment regardless of whether the member of the School District community or third party alleging the harassment pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

All timelines pertinent to the investigation process are intended to be guidelines to assure that the investigation proceeds with all deliberate efficiency. Failure of the CO to meet any specific timeline does not invalidate the investigation or provide a defense to the allegations.

### **Privacy/Confidentiality**

The School District will employ reasonable efforts to protect the rights of the Complainant, the Respondent(s), and all the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligation in an investigation of harassment. The School District will respect the privacy of the complainant, the respondent, and all witnesses in a manner consistent with the School District's legal obligations under State and Federal law. Confidentiality, however, cannot be guaranteed. All complainants proceeding through the formal investigation process should be advised that their identities may be disclosed to the respondent.

During the course of an investigation, the CO will determine whether confidentiality during the investigation process is necessary to protect the interests and reputations of those involved and/or to protect the integrity of the investigation, and if so, shall instruct all members of the School District community and third parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that s/he learns or that s/he provides during the course of the investigation.

### **Directives During Investigation**

The CO may recommend to the District Administrator placing any employee involved in an investigation under this Policy on administrative leave pending resolution of the matter. If the District Administrator is the Respondent, the CO shall make such recommendation to the Board. Administrative leave may be appropriate in situations in which protecting the safety of any individual or the integrity of the investigation necessitates such action.

The CO shall determine whether any witnesses in the course of an investigation should be provided a *Garrity* warning apprising the person of his/her obligations to answer questions truthfully and honestly while preserving the right against self-incrimination in the context of any resulting criminal investigation or prosecution.

Every employee interviewed in the course of an investigation is required to provide truthful responses to all questions. Failure to do so may result in disciplinary action.

### **Sanctions and Monitoring**

The Board shall vigorously enforce its prohibitions against harassment by taking appropriate action reasonably calculated to stop the harassment and prevent further such harassment. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable law. When imposing discipline, the District Administrator shall consider the totality of the circumstances. In those cases where harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies.

All sanctions imposed by the Board and/or District Administrator shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

## **Allegations Constituting Criminal Conduct**

If the CO has reason to believe that the complainant has been the victim of criminal conduct, such knowledge should be reported to local law enforcement. After such report has been made, the District Administrator shall be advised that local law enforcement was notified.

If the complainant has been the victim of criminal conduct and the accused is the District Administrator, such knowledge should be reported by the CO to local law enforcement. After such report has been made the Board President shall be advised that local law enforcement was notified.

Any reports made to local law enforcement shall not terminate the COs obligation and responsibility to continue to investigate a complaint of harassment. While the COs may work cooperatively with outside agencies to conduct concurrent investigations, the harassment investigation shall not be stopped due to the involvement of outside agencies without good cause after consultation with the District Administrator.

## **Reprisal**

Submission of a good faith complaint or report of harassment will not affect the complainant's or reporter's work status or work environment. However, the Board also recognizes that false or fraudulent claims of harassment or false or fraudulent information about such claims may be filed. The Board reserves the right to discipline any person filing a false or fraudulent claim of harassment or false or fraudulent information about such a claim.

The District will discipline or take appropriate action against any member of the School District community who retaliates against any person who reports an incident of harassment prohibited by this policy or participates in a proceeding, investigation, or hearing relating to such harassment. Retaliation includes, but is not limited to, any form of intimidation, reprisal, or harassment.

## **Miscellaneous**

The District shall conspicuously post a notice including this policy against harassment in each school in a place accessible to the School District community and members of the public. This notice shall also include the name, mailing address, and telephone number of the COs, the name, mailing address, and telephone number of the State agency responsible for investigating allegations of discrimination in educational employment, and the mailing address and telephone number of the United States Equal Opportunity Employment Commission.

A link to this policy and any related administrative guidelines shall appear in the employee handbook and a copy shall be made available upon request of employees and other interested parties.

## **Education and Training**

In support of this policy, the Board promotes preventative educational measures to create greater awareness of harassment. The District Administrator shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District staff at such times as the Board in consultation with the District Administrator determines is necessary or appropriate.

The Board will respect the privacy of the complainant, the individuals against whom the complaint is filed, and the witnesses as much as practicable, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery, disclosure, or other legal obligations.

## **Retention of Investigatory Records and Materials**

All individuals charged with conducting investigations under this policy shall retain all information, documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315) created and received as part of an investigation, including, but not limited to:

- A. all written reports/allegations/complaints/statements;
- B. narratives of all verbal reports, allegations, complaints, and statements collected;
- C. a narrative of all actions taken by District personnel;
- D. any written documentation of actions taken by District personnel;
- E. narratives of, notes from, or audio, video, or digital recordings of witness statements;

- F. all documentary evidence;
- G. e-mails, texts, or social media posts pertaining to the investigation;
- H. contemporaneous notes in whatever form made (e.g., handwritten, keyed into a computer or tablet, etc.) pertaining to the investigation;
- I. written disciplinary sanctions issued to students or employees and a narrative of verbal disciplinary sanctions issued to students or employees for violations of the policies and procedures prohibiting discrimination or harassment;
- J. dated written determinations to the parties;
- K. dated written descriptions of verbal notifications to the parties;

- M. documentation of all actions taken, both individual and systemic, to stop the discrimination or harassment, prevent its recurrence, eliminate any hostile environment, and remedy its discriminatory effects.

The information, documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records).

The information, documents, ESI, and electronic media (as defined in Policy 8315) created or received as part of an investigation shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, and Policy 8330 for not less than three (3) years, but longer if required by the District's records retention schedule.

Title	REVISED POLICY - VOL. 28, NO. 1 - EMPLOYEE ANTI-HARASSMENT
Code	po3362
Status	
Adopted	December 8, 2015

### **REVISED POLICY - VOL. 28, NO. 1**

#### **3362 - EMPLOYEE ANTI-HARASSMENT**

##### **Prohibited Harassment**

The Board is committed to a work environment that is free of harassment of any form. The Board will not tolerate any form of harassment and will take all necessary and appropriate action to eliminate it. Any member of the School District community who violates this policy will be subject to disciplinary action, up to and including termination of employment. Additionally, appropriate action will be taken to stop and otherwise deal with any third party who engages in harassment against our employees.

The Board will vigorously enforce its prohibition against harassment based on race, color, national origin, age, sex (including transgender status, change of sex, sexual orientation, or gender identity), pregnancy, creed or religion, genetic information, handicap or disability, marital status, citizenship status, veteran status, military service (as defined in 111.32, Wis. Stats.), ancestry, arrest record, conviction record, use or non-use of lawful products off the District's premises during non-working hours, declining to attend an employer-sponsored meeting or to participate in any communication with the employer about religious matters or political matters, or any other characteristic protected by law in its employment practices (hereinafter referred to as "Protected Characteristics"), and encourages those within the School District community as well as third parties, who feel aggrieved to seek assistance to rectify such problems. The Board prohibits harassment that affects tangible job benefits, interferes unreasonably with an individual's work performance, or creates an intimidating, hostile, or offensive working environment. Harassment may occur employee-to-employee, employee-to-student, male-to-female, female-to-male, male-to-male, or female-to-female.

The Board will investigate all allegations of harassment and in those cases where harassment is substantiated, the Board will take immediate steps calculated to end the harassment, prevent its reoccurrence, and, if applicable, remedy its effects. Individuals who are found to have engaged in harassment will be subject to appropriate disciplinary action.

For purposes of this policy, "School District community" means individuals subject to the control and supervision of the Board including, but not limited to, students, teachers, staff, volunteers, and Board members, agents, contractors, or other persons.

For purposes of this policy, "third parties" include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with the District, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off School District property).

##### **Definitions**

**"Harassment"** means any threatening, insulting, or dehumanizing gesture, use of data or computer software, or written, verbal or physical conduct directed against a school employee on the basis of the employee's Protected Characteristics that:

- A. places a school employee in reasonable fear of harm to his/her person or damage to his/her property;
- B. is sufficiently severe, pervasive, and persistent so as to create a hostile working environment which materially alters the employee's working conditions from the perspective of a reasonable person similarly situated;
- C. has the effect of substantially disrupting the orderly operation of a school or any other aspect of the District's operations.

##### **Sexual Harassment**

Pursuant to Title VII of the Civil Rights Act of 1964 and Title IX of the Educational Amendments of 1972, "sexual harassment" is defined as unwelcome sexual advances, requests for sexual favors, and other physical, verbal, or visual conduct based on sex constitutes sexual harassment when:

- A. a supervisory employee engages in harassing behavior towards a subordinate employee, regardless of whether such conduct creates a hostile work environment;
- B. acquiescence in or submission to such conduct is an explicit or implicit term or condition of employment;
- C. an individual's acquiescence in, submission to, or rejection of such conduct becomes the basis for employment decisions affecting that individual;
- D. such conduct is sufficiently severe, pervasive, and persistent such that it has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment;
- E. consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism results in an adverse employment action for another employee or otherwise creates a hostile work environment;
- F. inappropriate boundary invasions by a District employee or other adult member of the District into a student's personal space and personal life.

Sexual harassment may involve the behavior of a person of either gender against a person of the same or opposite gender.

### **Religious (Creed) Harassment**

Prohibited religious harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's religion or creed and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's religious tradition, clothing, or surnames, and/or involves religious slurs.

### **National Origin Harassment**

Prohibited national origin harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's national origin and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's national origin, such as negative comments regarding customs, manner of speaking, language, surnames, or ethnic slurs.

### **Age Harassment**

Prohibited age based harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's age, being over age forty (40), and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment.

### **Race/Color Harassment**

Prohibited race/color based harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race and/or color and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment.

Such harassment may occur where conduct is directed at the characteristics of a person's current or past disabling condition or a perceived condition, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like. Such harassment may further occur where conduct is directed at or pertains to a person's genetic information.

### **Reports and Complaints of Harassing Conduct**

Members of the School District community and third parties, which includes all staff, are encouraged to promptly report incidents of harassing conduct to an administrator, supervisor or other District official so that the Board may address the conduct before it

becomes severe, pervasive, or persistent. Any administrator, supervisor, or other District official who receives such a complaint shall file it with the District's Compliance Officer at his/her first opportunity.

Members of the School District community or third parties who believe they have been harassed by another member of the School District community or a third party are entitled to utilize the Board's complaint process that is set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the complaining individual's employment unless the complaining individual makes the complaint maliciously or with the knowledge that it is false.

Reporting procedures are as follows:

- A. Any employee who believes s/he has been the victim of harassment prohibited under this policy is encouraged to report the alleged harassment to the appropriate school official as identified in D below.
- B. Teachers, administrators, and other District officials who have knowledge of or receive notice that an employee has or may have been the victim of harassment prohibited under this policy shall immediately report the alleged harassment to the appropriate school official as defined in D below.
- C. Any other person with knowledge or belief that an employee has or may have been the victim of harassment prohibited by this policy shall be encouraged to immediately report the alleged acts to an appropriate school official as identified in D below.
- D. Appropriate District officials are as follows:
  1. Any complaint under this policy shall be reported to the District's Compliance Officer unless the complaint is regarding the Compliance Officer. In such cases, the complaints shall be reported to the District Administrator, who shall assume the role of the District Compliance Officer for such complaints.
  2. Any complaint under this policy regarding the District Administrator or Board member that is received by the District Compliance Officer shall be referred to the Board's legal counsel, who shall assume the role of the District Compliance Officer for such complaints.
- E. The reporting party or complainant shall be encouraged to use a report form available from the Principal of each building or available from the District office, but oral reports shall be considered complaints as well. Use of formal reporting forms shall not be mandated. However, all oral complaints shall be reduced to writing. Further, nothing in this policy shall prevent any person from reporting harassment directly to the District Administrator.
- F. To provide individuals with options for reporting harassment to an individual of the gender with which they feel most comfortable, the District shall designate both a male and a female District Compliance Officer.

#### **District Compliance Officers**

The Board designates the following individuals to serve as the District's "Compliance Officers" (hereinafter referred to as the "COs").

Elementary Principal  
(School District Title)

(715) 453-2126  
(Telephone Number)

1048 E King Rd.  
(Office Address)

High School Principal  
(School District Title)

(715) 453-2106  
(Telephone Number)

1048 E King Rd.  
(Office Address)

The names, titles, and contact information of these individuals will be published annually:

- A. in the parent and staff handbooks.
- B. on the School District's website.

A CO will be available during regular school/work hours to discuss concerns related to harassment, to assist students, other members of the School District community, and third parties who seek support or advice when informing another individual about "unwelcome" conduct.

The COs are assigned to accept complaints of harassment directly from any member of the School District community or a visitor to the District or to receive complaints that are initially filed with a school building administrator. Upon receipt of a complaint either directly or through a school building administrator, a CO will begin either an investigation or the CO will designate a specific individual to conduct such a process. The CO will prepare recommendations or will oversee the preparation of such recommendations. All members of the School District community should report incidents of harassment that are reported to them to the CO within two (2) business days of learning of the incident.

### **Investigation and Complaint Procedure**

Any employee or other member of the School District community or visitor to the District who believes that s/he has been subjected to harassment or has witnessed harassment of another may seek resolution of his/her complaint through the procedures as described below. Further, a process for investigating claims of harassment and a process for rendering a decision regarding whether the claim of harassment was substantiated are set forth below.

Once the complaint process begins, the investigation will be complete in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

### **Complaint Procedure**

An individual who believes s/he has been subjected to harassment hereinafter referred to as the "complainant," may file a complaint, either orally or in writing with a teacher, Principal, CO, District Administrator, or other supervisory employee. As noted above, any complaint received regarding the District Administrator or a Board member shall be referred to the Board's legal counsel, who shall assume the role of the CO for such complaints. Additionally, if the complaint is regarding a CO, the complaint shall be reported to the District Administrator, who shall assume the role of the CO for such complaints.

Due to the sensitivity surrounding complaints of harassment, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a Principal, District Administrator, or other supervisory employee, either orally or in writing, about any complaint of discrimination or retaliation, that employee must report such information to the CO within two (2) business days.

Throughout the course of the process as described herein, the CO should keep the parties informed of the status of the investigation and the decision-making process.

All written complaints must include the following information to the extent it is available: the identity of the individual believed to have engaged in, or be actively engaging in, harassment; a detailed description of the facts upon which the complaint is based; and a list of potential witnesses.

If the complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter the CO will prepare a written summary of the oral interview, and the complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the complainant from further harassment or retaliation including but not limited to a change of work assignment or schedule for the complainant and/or the alleged harasser. In making such a determination, the CO should consult the Complainant to assess his/her position to the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO may still take whatever actions s/he deems appropriate in consultation with the District Administrator. No temporary arrangements shall be disciplinary to either the complainant or respondent.

Within two (2) business days of receiving a complaint, the CO will inform the individual alleged to have engaged in the harassing or retaliatory conduct, hereinafter referred to as the "Respondent", that a complaint has been received.

The Respondent is not entitled to receive a copy of any written complaint unless the CO determines it is appropriate to do so; however, the Respondent will be informed about the nature of the allegations. The CO shall inform the Respondent of the requirements of this policy, which may include providing the Respondent with a copy of this policy or information about where to

find it. The Respondent shall be afforded the opportunity to submit a written response to the complaint. The CO shall inform the Respondent of the Respondent's deadline to provide the CO with the written response to the allegations in the complaint.

Within five (5) business days of receiving the complaint, the CO will initiate a formal investigation to determine whether the complainant has been subject to offensive conduct/harassment.

Although certain cases may require additional time, the CO will attempt to complete an investigation into the allegations of harassment within fifteen (15) calendar days of receiving the formal complaint. The investigation will include:

- A. interviews with the complainant;
- B. interviews with the respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations, as determined by the CO;
- D. consideration of any documentation or other evidence presented by the complainant, respondent, or any other witness which is reasonably believed to be relevant to the allegations, as determined by the CO.

At the conclusion of the investigation, the CO shall prepare and deliver a written report to the District Administrator that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of harassment as provided in this policy and State and Federal law as to whether the complainant has been subjected to harassment. The CO's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO, the District Administrator must either issue a final decision regarding whether or not the complaint of harassment has been substantiated or request further investigation. A copy of the District Administrator's final decision will be delivered to both the complainant and the respondent.

If the District Administrator requests additional investigation, the District Administrator must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the District Administrator must issue a final written decision as described above.

The decision of the District Administrator shall be final. If the investigation results in disciplinary action, the employee subject to discipline is entitled to file a grievance pursuant to Board Policy 3340. Nothing in this policy shall be construed to prevent an employee from bringing a complaint before the Equal Employment Opportunity Commission or the Wisconsin Equal Rights Division.

The Board reserves the right to investigate and resolve a complaint or report of harassment regardless of whether the member of the School District community or third party alleging the harassment pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

All timelines pertinent to the investigation process are intended to be guidelines to assure that the investigation proceeds with all deliberate efficiency. Failure of the CO to meet any specific timeline does not invalidate the investigation or provide a defense to the allegations.

### **Privacy/Confidentiality**

The School District will employ reasonable efforts to protect the rights of the Complainant, the Respondent(s), and all the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligation in an investigation of harassment. The School District will respect the privacy of the complainant, the respondent, and all witnesses in a manner consistent with the School District's legal obligations under State and Federal law. Confidentiality, however, cannot be guaranteed. All complainants proceeding through the formal investigation process should be advised that their identities may be disclosed to the respondent.

During the course of an investigation, the CO will determine whether confidentiality during the investigation process is necessary to protect the interests and reputations of those involved and/or to protect the integrity of the investigation, and if so, shall instruct all members of the School District community and third parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that s/he learns or that s/he provides during the course of the investigation.

### **Directives During Investigation**

The CO may recommend to the District Administrator placing any employee involved in an investigation under this policy on administrative leave pending resolution of the matter. If the District Administrator is the Respondent, the CO shall make such recommendation to the Board. Administrative leave may be appropriate in situations in which protecting the safety of any individual or the integrity of the investigation necessitates such action.

The CO shall determine whether any witnesses in the course of an investigation should be provided a Garrity warning apprising the person of his/her obligations to answer questions truthfully and honestly while preserving rights against self-incrimination in the context of any resulting criminal investigation or prosecution.

Every employee interviewed in the course of an investigation is required to provide truthful responses to all questions. Failure to do so may result in disciplinary action.

### **Sanctions and Monitoring**

The Board shall vigorously enforce its prohibitions against harassment by taking appropriate action reasonably calculated to stop the harassment and prevent further such harassment. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable law. When imposing discipline, the District Administrator shall consider the totality of the circumstances. In those cases where harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies.

All sanctions imposed by the Board and/or District Administrator shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

### **Allegations Constituting Criminal Conduct**

If the CO has reason to believe that the complainant has been the victim of criminal conduct, such knowledge should be reported to local law enforcement. After such report has been made, the District Administrator shall be advised that local law enforcement was notified.

If the complainant has been the victim of criminal conduct and the accused is the District Administrator, such knowledge should be reported by the CO to local law enforcement. After such report has been made, the Board President shall be advised that local law enforcement was notified.

Any reports made to local law enforcement shall not terminate the COs obligation and responsibility to continue to investigate a complaint of harassment. While the COs may work cooperatively with outside agencies to conduct concurrent investigations, the harassment investigation shall not be stopped due to the involvement of outside agencies without good cause after consultation with the District Administrator.

### **Reprisal**

Submission of a good faith complaint or report of harassment will not affect the complainant's or reporter's work status or work environment. However, the Board also recognizes that false or fraudulent claims of harassment or false or fraudulent information about such claims may be filed. The Board reserves the right to discipline any person filing a false or fraudulent claim of harassment or false or fraudulent information about such a claim.

The District will discipline or take appropriate action against any member of the School District community who retaliates against any person who reports an incident of harassment prohibited by this policy or participates in a proceeding, investigation, or hearing relating to such harassment. Retaliation includes, but is not limited to, any form of intimidation, reprisal, or harassment.

### **Miscellaneous**

The District shall conspicuously post a notice including this policy against harassment in each school in a place accessible to the School District community and members of the public. This notice shall also include the name, mailing address, and telephone number of the COs, the name, mailing address, and telephone number of the State agency responsible for investigating allegations of discrimination in employment, and the mailing address and telephone number of the United States Equal Opportunity Employment Commission.

A **link to** this policy and any related administrative guidelines shall appear in the employee handbook and a copy shall be made available upon request of employees and other interested parties.

## Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of harassment. The District Administrator shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District staff at such times as the Board in consultation with the District Administrator determines is necessary or appropriate.

The Board will respect the privacy of the complainant, the individuals against whom the complaint is filed, and the witnesses as much as practicable, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery, disclosure, or other legal obligations.

## Retention of Investigatory Records and Materials

All individuals charged with conducting investigations under this policy shall retain all information, documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315) created and received as part of an investigation, including, but not limited to:

- A. all written reports/allegations/complaints/statements;
- B. narratives of all verbal reports, allegations, complaints, and statements collected;

- D. any written documentation of actions taken by District personnel;

The information, documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records).

The information, documents, ESI, and electronic media (as defined in Policy 8315) created or received as part of an investigation shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, and Policy 8330 for not less than three (3) years, but longer if required by the District's records retention schedule.

## **NEW POLICY - SPECIAL UPDATE - SCHOOL SAFETY**

### **8462.01 - THREATS OF VIOLENCE**

The Board strictly prohibits any threats of violence in or targeted at any school. All incidents or suspected incidents of such conduct must be reported as described in this policy and in State law and will be investigated. All District employees, regardless of position, are required to make a report if the following is present:

- A. A staff member, in the performance of his/her professional duties, hears or receives a threat of violence in or targeted at a school; and
- B. That staff member believes, in good faith, based on the threat that the health and safety of any person is in serious and imminent threat.

Any staff member who, in good faith, believes that circumstances require reporting shall do so without conducting any further investigation concerning the subject matter of the report. When a report is made, the staff member shall immediately notify the building level administrator or District Administrator that a report has been made and provide details concerning the basis for the report. If available, the staff member shall inform the school or District School Resource Officer (SRO).

### **Staff Training Required**

The Board shall require every employee to receive training provided by the Department of Public Instruction (DPI) regarding the laws governing the reporting of a threat of violence. Such training shall be completed within the first six (6) months of employment in the District and at least once every five (5) years after the initial training. This training may be held in conjunction with staff training for threatened or suspected child abuse or neglect as required in Policy 8462.

Training conducted in fulfillment of this policy shall include a record of the date, time, duration, and content of the training, as well as a list of all attendees at the training. The District Administrator shall submit a report to DPI annually by January 1st that identifies the training performed under this section, along with the reporting required under Policy 8420 - School Safety and Emergency Preparedness.

### **Procedures for Reporting - Threats of Violence**

An employee, regardless of position, shall immediately inform, by telephone or personally, a law enforcement agency of the facts and circumstances contributing to the belief that there is a serious and imminent threat to the health or safety of a student or school employee or the public. The report shall contain detailed information concerning the nature of the threat. The staff member shall cooperate fully with law enforcement. When such a report is made, the staff member shall also inform the building administrator or District Administrator, as well as the School Resource Officer, if available. If a threat is reported to the building administrator, s/he shall immediately notify the District Administrator and coordinate the District's coordination with law enforcement, students, and parents as the circumstances require.

### **Sanctions for Making Threats**

All threats of violence are to be taken seriously. No staff member who reports a threat in good faith shall be subject to disciplinary action. Failure to report or undue delay in reporting a threat may result in disciplinary action.

Any student or staff member who makes a threat of violence will be evaluated for disciplinary action, up to possible referral for expulsion in the case of students (See Policy 5610) or termination from employment in the case of staff (See Policy 3140/Policy 4140).

The administration may, with the assistance of law enforcement personnel, remove from and/or prohibit the presence on school property, any member of the community, including a volunteer, parent, contractor, coach, etc., who makes a threat of violence in or against the school. In such a case, the District Administrator shall notify the Board as soon as is practicable.
