STUDENT ACTIVITIES

- A. Open House for Fleming was on September 23rd. We had a very good experience with our scholastic book fair and 21st Century sign-ups occurring during this event. Parents praised the efforts of our staff and commented on their positive experience with teachers. Several participants praised the organization of the event.
- B. 21st Century programs are officially all started. Our homework Help house is averaging 17 students per day. We have 14 classes that are being offered to students for the fall in our afterschool program. As of October 6th, we have 204 students that have signed up to participate. I'd like to thank Heather Saeman and Tiffany Clark for the successful kickoff to all of our 21st Century programs this year.
- C. We have Christmas music playing as our marching band prepares for the Grants Pass Christmas parade. ☺
