*Please note, that this is an estimate and subject to change based on the number of jurisdictions contracting for the Election. Actual Expenses will be billed and may vary from this estimate. Allocation of costs for the entire election, unless specifically stated otherwise, will be shared between the participating authorities based on a ratio formula involving the total number of registered voters eligible to vote in the Joint Election and the number of registered voters belonging to the participating authorities for the Joint Election. The participating authorities will be responsible for their percentage of the cost or a minimum cost of \$500.00, whichever is greater.
