

**GOVERNING BOARD AGENDA ITEM
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

DATE OF MEETING: August 3, 2010

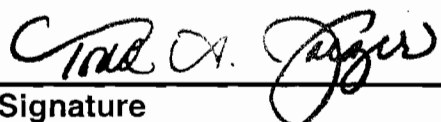

TITLE: Review of the 2010-2011 Student Code of Conduct Administration Training Presentation

BACKGROUND:

On April 27, 2010 the Governing Board approved proposed revisions of the Student Code of Conduct to be effective for the 2010-2011 school year. These revisions are substantial and include, notably, separation of the Code into two separate versions – one for elementary students and one for middle and high school students. Hard copies of the booklets will be available at the Board meeting for the Board's convenience, however, the booklets are currently available for review on the district's website through the Parent/Student Information drop-down link.

This agenda item has been prepared to permit the Associate to the Superintendent/General Counsel to review the training presentations which the district's administrations will receive regarding these booklets and Arizona SAFE.

RECOMMENDATION: This item is presented for the Board's information only at this time. No action is required.
