Description:

Over the summer, our very own Frank Madla Elementary School was named the winner of the Recess Redo Contest live on the Kidd Kraddick Morning Show after a nationwide voting period that lasted 10 days.

The Recess Redo is a nationwide contest where schools from all over the country apply to be entered in. From that pool of schools, only 10 finalists were announced in mid-June and Madla Elementary made the cut.

The voting period for the finalists lasted from June 19 - June 28 and over 33,000 votes were cast. In the end, Madla received 18 percent of the total vote to claim the top spot and win the contest.
