Background Information

As per M.S. 13D.03, a school board may, by majority vote in a public meeting, decide to close a meeting to consider strategy for labor negotiations. The time and place of the closed meeting shall be announced at the public meeting. A written roll call of members and other persons at the closed meeting must be made available after the meeting. This meeting must be electronically recorded and the recording kept for two years after the contract discussed at the meeting is signed. Recordings will be public after all collective bargaining agreements for that budget period are settled. Documents related to the closed session will be provided to school board members and maintained on file.
