

Quanah High School

Principal: Tammy
Witten

School Board Report-August 2018

Counselor: Corie Orr

Preparation for the new school year:

*New Bell Schedule: Block schedule Monday-Thursday and an 8-period day on Friday. This will better align the High School with the Middle School, since we share staff.

*Course selections and CTE strands were reviewed. Additional classes, such as Horticulture Design, Greenhouse Operation and Production, Principles of Hospitality and Tourism, Theater and Foundations of Physical Fitness have been added.

*Parent/Student meetings were held on August 2nd/3rd to introduce Mrs. Sulak, Mrs. Witten and Mrs. Orr and to share the new Bell Schedule and the revised course offerings. Parents were asked to review their child's transcript with their child, then select their preferred classes, from the grade level choices given, to build their schedule for this year.

*The Teachers' Lounge is getting a new look!

A look ahead:

*August 23rd: Fish Camp! "Experience a day in the life of a Freshman at QHS!"

*August 24th: Sophomores, Juniors and Seniors can pick up their class schedules.

*August 27th: First Day of SCHOOL!!

QHS Theme:

Do your BEST!

Own your behavior

No food/drinks in the classrooms

Text, Snapchat, Instagram, Twitter
and Facebook before/after school!

Quanah HS Pride is required!

Use your time wisely

Invest in yourself

Treat others with respect
