Re: Waiver for Hybrid Instruction for Lee Elementary due to Campus Damage from Inclement Weather

Action Required

No Action Required

At this time, we are asking the school board to approve an attendance waiver which would allow for Lee Elementary to still receive attendance credit for their learners at the campus due moving to remote instruction. The water/leak damage at the campus required us moving the staff and the learners to Valley Ranch Elementary as well as the transition back to Lee Elementary once the repairs were complete.

**RECOMMENDATION:** Approve the waiver to allow hybrid instruction due to the campus damage and need for transition of staff and learners during that time.
