Subject: Compensation for No School February 4, 2019 and one hour on February 5, 2019

Description: There was no school on February 4, 2019 and one hour on February 5, 2019 due to severe weather conditions. The recommendation for February 4 for the day and February 5 for one hour is that we not make those days up.

The following are the recommended options for Classified, professional technical, administrators and directors:

- a) Take leave for 1 day and 1 hour to make up for the above times
- b) The board agrees to pay for all Full Time and Part Time employees excluding subs, and tutors for the day of February 4, 2019 and one hour on February 5, 2019.

Financial Impact: If the board agrees to pay classified, professional technical, administrators and directors for the above days the total cost to the district will be:

Feb 4, 2019 (1 day) is $\frac{46,496.11.00}{6}$ & Feb. 5, 2019 (for one hour) is $\frac{55,812.01.00}{100} = \frac{1000}{1000} = \frac{1000}{$

Funding Source (Budget/grant, etc.): Salaries, benefits, and payroll costs to be charged against budgets for respective building/department/program/grant as applicable.
