

**Governing Board Agenda Item**

Meeting Date: February 13, 2025

From: Kristin Reidy, Assistant Superintendent

Subject: Approve High School Course Name Changes

Priority: To provide rigorous, relevant, and innovative academics

Consent  Action  Discussion

**Background:**

The purpose of this agenda item is to seek Governing Board approval for three high school course name changes.

At the January 9, 2025 Governing Board meeting, the Board approved a new high school course: Intermediate Ceramics and Pottery 3-4 (1.0 credit). Now that the intermediate level of this course has been approved, we need to change the advanced course title to ensure a three-year progression of ceramics coursework is available to our high school students.

**Name Change:**

- Advanced Ceramics and Pottery 3-4 to **Advanced Ceramics and Pottery 5-6**

The Marana Vista Academy will open next school year. Network Securities is one of the Career and Technical Education (CTE) programs we will offer on this campus. Although the Board previously approved this program, the Arizona Department of Education (ADE) updated the titles of the courses in it. We need to update the names of these two courses in the Network Securities CTE program to ensure alignment with the accurate CTE pathway course sequence.

**Name Changes:**

- Networking Tech CISCO Appl 1-2 to **Network Security 1-2**
- Networking Tech CISCO Appl 3-4 to **Network Security 3-4**

**Recommended Motion:**

I move that the Governing Board approve the course name changes as presented.

Approved for transmittal to the Governing Board:   
Dr. Daniel Streeter, Superintendent
