

High School Board Report - 3/13/18

Athletic State Tournament Appearances: We want to congratulate all winter sport athletes and coaches. Special recognition goes to Wyatt Wenninger for competing at the State Wrestling Tournament and Travis Phillips for competing at the State Boys Swim Meet.

Solo & Ensemble: 34 THS musicians participated in Solo & Ensemble on February 24. Students represented themselves and THS extremely well with strong performances and many honors.

ACT/ACT WorkKeys & Other Events: Juniors completed the ACT and ACT WorkKeys assessments on February 27 & 28. Other activities took place on 2/27 while Juniors completed the assessments. All 9th graders visited Rouman Cinema and Nicolet Technical College in Rhinelander for an event sponsored by Nicolet. Students listened to a speaker about goal setting and the impacts of decision making on your future. They also watched a self motivational video title, "If You Build It". Also, All 10th graders visited UW-Green Bay to learn about a 4 year college experience. Students toured the campus including academic and athletic complexes as well as campus housing and living facilities. Seniors stayed at THS and rotated through several learning activities with topics such as: world culture and diversity, leadership fundamentals, fun science experiments, problem solving and more. Thank you to all staff for their efforts making this a great day for our students!

Badger Business Camp: All 9th graders and FBLA members participated in Badger Business Camp on March 1st. Students participated in a Shark Tank like experience having to work in teams to design a product and a business model around the product. Students then had to develop a marketing plan and present their product to the audience. Thank you to TEAPIE for their financial support and organization efforts, as well as PCA for the use of the training center.

WASDA Data Leadership Summit: Members of the High School Building Leadership team, along with other district representatives attended the Data Leadership Summit in Green Bay on March 1st and 2nd. Team members attended keynote speakers and various breakout sessions to learn about a large variety of high impact practices that lead to student learning. This information will be used to continue to strengthen action plans around building and district level goals and identify new measures to inform our progress.

Musical - Spamalot: Congratulations to the cast, crew, directors and musician for another successful musical. Monty Python's Spamalot was performed on March 2, 3 and 4. Months of hard work went into the performance and was definitely noticed on stage. Thank you those who attended and supported the production in various ways. It is greatly appreciated!
