

Recommendation for award of mechanical upgrades work at FRMS and EHS combined

Request:

To award the above referenced project to Alliant Systems for \$924,629.

Rationale:

The Fern Ridge School District publicly advertised this project on 3/26/25. The design package was generated by Interface Engineering.

A pre-bid walk was conducted on 3/31/25.

Bids were received and opened on 4/9/25.

Bids were all found to be responsive. Bids received were as follows:

| | |
|--------------------|-------------|
| Alliant Systems | \$924,629 |
| Comfort Flow | \$1,068,738 |
| Umpqua Sheet Metal | \$1,074,556 |
| Apex Mechanical | \$1,436,000 |

The engineer's estimate for this work was \$1,200,000. Please note: Alliant Systems has provided mechanical repair and upgrade services for the district in the past so is familiar with the district's systems and their conditions.

Funding:

Funding for this work comes from the project budget for Work Package #3 – Mechanical. This budget was approved by the Board of Directors Summer 2024. The bid was within budget.

Recommendation:

The Board of Directors approves the award to Alliant Systems for the 2025 Mechanical Upgrades project for a total of \$924,629.

Board Meeting: April 21, 2025
