POSITIVE BEHAVIOR INTERVENTIONS and SUPPORTS

As we enter into our last few months of school we are still practicing our 3 school rules:

Be Safe Be Responsible Be Respectful

In an effort to reinforce positive and respectful behavior, staff are handing out respect bucks. When students are showing respect during the school day, they can earn a respect buck. After they have collected 5, they can redeem them in the office for something out of the prize box. We are focusing on showing respect at recess, at lunch, in the hallway and in every classroom.

WONDERFUL — 1,600 Respect Bucks were earned for April!

What is Double Up Food Bucks?

Each summer Food Roots facilitates Double Up Food Bucks at farmers markets across the county. Double Up Food Bucks (previously known as SNAP Match) is an incentive program that provides low-income households who receive Supplemental Nutrition Assistance Program (SNAP) benefits with a one-to-one match to purchase locally grown fruits and vegetables at farmers markets. Each week a participant is edible for up to a \$10 match to spend on extra in produce. This is a program that support our community in many ways by supporting food insecure families in purchasing more fresh foods, while local farmers gain new customers and increase their profits, and more federal assistance dollars stay in our local economy.

For the past five years, Food Roots has been coordinating this program across our county. In Tillamook County there is a farmers market in Manzanita, Tillamook, Pacific City and Neskowin. All four markets in Tillamook County participate in a SNAP Matching program. Over the course of this program Food Roots has recorded \$36,306.00 of revenue generated at our local farmers markets as a result of SNAP and DUFBS sales. If you wish to support or learn more about this program please visit foodrootsnw.org or stop by our office on 113 Main Street, Tillamook, OR.
