

CCS BOARD OF DIRECTORS – BOARD MEMBER ROLES and TERMS

CCS BYLAWS REGARDING BOARD MEMBER COMPOSITION

As many of you know, the current CCS Board of Directors worked to amend CCS Bylaws to create a governance structure composed of both online and seat-based teachers and parents. The Board unanimously approved these revisions in governance structure in June 2021. The amended CCS Bylaws were then reviewed and approved by our Authorizer, Osprey Wilds, in July 2021. Finally, eligible CCS teachers voted on these amended Bylaws during the week of August 9 – 13th. The vote concluded on Friday, August 13, with overwhelming support of the Bylaw revisions with 26-yes votes to 1-no vote. The amended CCS Bylaws, therefore, have been adopted and are effective immediately.

CCS Board of Director composition is as follows:

- One Community Member
- Three Parents (one from the seat-based program, one from the online program and one from either the seat-based or online programs)
- Four Teachers (two from the seat-based program and two from the online program)

NOTE: Additional details about qualifications for these roles may be found in the CCS Bylaws.
