

**COSSA Board Meeting  
Submitted by Jose Chavez  
April 21, 2025**

**FACILITY PROJECTS**

☐ **Grounds**

**maintenance included weeds being sprayed and cut. Window cleansing is in the process for the entire building. All of the floors and carpets have been cleaned.**

**MAJOR EQUIPMEN**

☐ **HVAC**

**o Bauer concluded that one the unit in 107 needs to be re-wired and it will cost \$950.00 to be replaced.**

**This estimate is for repairs on Cossa Modular Building in Marsing.  
Is going to be 767.00**

**SAFTY & SECURITY**

☐ **Found a solution with communication between daycare and the main building. We were able to add walkie-talkies to the daycare building**

**The horn alarm for the outside going to cost us \$2,495 to get install plus it need to be on the blue print by state law that will be an extra charge of \$450.00**

**UPCOMING PROJECTS**

☐ **Landscape-**

**O The irrigation system still requires some repairs with the sprinklers. We are waiting for spring to fix repairs**

☐ **Awning**

**O Have been trying to find donations for dirt for our basketball court. With this we can build an awning to provide shade for our students and our community.**
