

# Positive Happenings

## Athletics Program

FLAS COMMUNITY EDUCATION JANUARY 2017

### SPECIAL POINTS OF INTEREST:

- Schumacher Field received a fresh coat of dark green paint.
- New spring flag football league being added to the Athletics program.
- Community Education has had a smooth transition in hosting junior high sports.

## Schumacher Field Receives A Fresh Coat Of Paint

Throughout the past year, the Athletics program of Community Education has wanted to freshen up the faded paint of Schumacher Field. As the weathered exterior became more prevalent, the program decided that one of our best facilities should receive a

makeover. The new coat of paint would surely brighten up the facility and create a more welcoming atmosphere to its visitors.

Community Education staff worked with Forest Lake Baseball Association, High School Dugout Club, the Brewers baseball team and the Grounds Department to raise funds to pay for paint, supplies and labor. The paint updates include a fresh coat of a slightly darker green paint and new crisp, white trim. The light blue paint under the main entrance was changed to a nice gray. Due to rain delays, final touch ups will be completed in this upcoming spring.

## Spring Flag Football League

Community Education has partnered with National Flag Football to start a new spring Flag Football league. This new league will run 8 weeks on Sundays for ages 4-14.

## Junior High Sports Transition

The Athletics program is very excited to have recently completed the first season of Boys and Girls Junior High Soccer. Soccer participation numbers increased over last year. Junior High Girls Basketball is just about to wrap up and we are looking forward to getting the boys teams started after holiday break. Track and field will follow in the spring.

The recent transition of these junior high sports to Community Education has been a very smooth transition. Community Education is happy to be a part of the plan to continue offering these programs to our district's 7th and 8th grade students.

---

## Thank you

Thank you to all our wonderful volunteer coaches and staff for the time and dedication to our programs. We couldn't offer our programs without all your hard work and efforts.
