ACTION

BACKGROUND INFORMATION: Districts are required to have a board-approved program guide for the gifted and talented program. The guide was revised to add STAAR testing in two places. TAKS or STAAR test scores are one part of the nomination and identification process. With the new STAAR test scores this year, the gifted and talented program guide needed to have that information added.

RECOMMENDATION: Approval of Gifted and Talented Program Guide

BOARD ACTION REQUIRED: Sample Motion I move to approve the Gifted and Talented Program Guide.
