Subject: Class Size Waivers

Board Goal Number: Three

Information Item

BACKGROUND INFORMATION:

The Texas Education Agency requires that each school district conduct a class size enrollment survey for Kindergarten through Grade 4 no later than September 11, 2009. If the survey indicates that any class for Grades K-4 exceeds the allowable class size limit of 22:1, the district must submit a class size waiver request along with an approved compliance plan to the State Waivers Unit by October 1, 2009.

As of September 11, 2009 the following classes remain out of compliance: Bray (one class is 23:1 ratio), Lake Ridge (two classes have 23:1 ratios), Highlands (two bilingual classes have 23:1 ratios) and Plummer (two classes have 23:1 ratios).

The district must submit the request for maximum class size waiver exception form, a compliance plan and once the exception is granted, inform parents of all students in these classes.
