Hobbs	RTI	Feb. 8 th

Notable Highlights:

Our students are showing their leadership skills by actively selling school supplies. Our 4th grade GT students are running their T-Mart store and our Student Council members are selling Smencils. Our students participated in several different activities celebrating the 100th Day of School. We would like to thank the community for their contributions to these 100th Day activities.

Principal's General Narrative: *The first TAKS Test that our elementary grade levels will be taking is scheduled for March 5th. I would like to commend the teachers and support staff for their continued efforts and dedication in trying to address the different student needs. They have spent many hours tutoring students in deficient areas with the confidence that the students will master the TAKS.*

Respectfully,

Alma Gutierrez
