## School Closures

As the winter season approaches so does the possibility of a delayed school day or school closures. The district will send a synrevoice early the morning of the delay or closure. If for some reason you do not receive a call you may watch the local news, listen to the local radio stations or check the district website. All notifications will let you know of either delayed start or school closures.

## STUDENT TRANSPORTATION CHANGES

If your child would like to go home with another student, we need a note from you as well as the parent of the other child. Notes must include student's full name, (first & last), teacher, date and parent's signature. Please make sure all transportation notes are sent to the office.
