Welcome Back to an Exciting New School Year at Hidden Valley High School!

Dear HVHS Parents and Guardians,

As we step into the 2024-2025 school year, we are thrilled to welcome all our students back to Hidden Valley High School. The energy and enthusiasm that a new school year brings are truly invigorating, and we are eager to embark on this journey together.

This year promises to be filled with opportunities for growth, learning, and connection. Our dedicated staff has been working hard to prepare for an outstanding year, and we are confident that with your continued support, we can make it a remarkable experience for every student.

At HVHS, we are committed to creating an environment where every student can thrive. Our school motto, "GO BE GREAT!" reflects our belief in the potential within each of our students. Our vision is to cultivate an inclusive educational environment where curiosity thrives, empowering every student to achieve their fullest potential and make a positive impact in our ever-changing world. Our mission statement is to ensure high levels of learning for ALL students. And with your support, we are confident we can make this mission and vision a true reality.

As we kick off the year, we are focused on ensuring that all students have the best possible learning environment. This includes upholding our core values of Mustang P.W.R. (Purpose, Work Ethic, Respect), which guide everything we do.

One of the key areas we are focusing on is minimizing distractions in the classroom, particularly regarding cell phone use. We understand how integral cell phones have become in daily life, but their presence in the classroom can often be disruptive. To create a more focused and engaging learning environment, we are implementing a strict no cell phone policy during class hours. We ask for your support in reinforcing this policy at home, discussing its importance with your child, and helping them understand the value of staying focused during class.

We are excited about the year ahead and the many successes that await our students. Thank you for your partnership in making Hidden Valley High School a place where excellence thrives. If you have any questions or concerns, please do not hesitate to reach out.

Let's make this year the best one yet!

Sincerely,
Damian Crowson
Principal
