Describe the volunteer activities students would participate in with your organization. Be specific. For example, write, "stock and organize cans in food pantry for community members" instead of "help in food pantry." *

Volunteers would spearhead Supply Drives at school, and in their community. Needs are Clothing, blankets, tents, sleeping bags, new socks, flashlights, hand sanitizer, duffle bags/backpacks, food, toiletry items etc. Many of these are items that people throw away or don't need anymore. With Covid concerns this is the only way that students can volunteer at this time
