BACKGROUND:

Mock Trial offers students valuable learning experiences in teamwork, collaboration, oral presentation, critical thinking, productive argumentation, professionalism, and confidence. Teams of 6–10 high school students, guided by a team advisor, prepare to compete against their peers in a structured regional competition. Each team must master both sides of a case study—Prosecution/Plaintiff and Defense—while students take on the roles of attorneys and witnesses in a simulated trial.

The 2025 Regional Mock Trial Competition was held on Saturday, January 25th 2025. During the Regional Competition, students have the opportunity to earn individual awards in each round.
