MISD Employees of August 2025

Millsap Elementary School – Ms. Taci Spencer (Paraprofessional)

I am thrilled to recognize Taci Spencer as MES Employee of the Month! Taci is a dedicated paraprofessional who works with our kindergartners, bringing passion, care, and professionalism to everything she does. Her commitment to our students shines through in the way she goes above and beyond every single day. Taci is always seeking opportunities to learn and grow as she works toward her goal of becoming a teacher. She asks thoughtful questions, remains flexible in any situation, and consistently puts kids first. We are incredibly lucky to have Taci on our team—MES is better because of her!

September 25th Board Recognitions

Millsap Middle School – Ms. Amber Collins (ELAR Teacher)

We are proud to recognize Amber Collins as the MMS August Teacher of the Month.

Amber is in her first year of teaching and has already demonstrated tremendous dedication, positivity, and a strong commitment to her students. She approaches each day with a willingness to learn and grow, and her energy has been a wonderful addition to our campus. Amber has quickly established strong relationships with both students and colleagues.

I have had the opportunity to visit her classroom multiple times this year, and it is clear she is making a meaningful impact. Amber is already excelling in her role, and we are excited to see her continued growth and success as part of our Millsap family.

Millsap High School- Ms. Paige Martinez (AgSc Teacher)

Paige is the ultimate team player—always ready to help out wherever she’s needed, even in the little things like keeping the workroom in tip-top shape.

She’s rocking it as the 10th-grade sponsor, leading the charge on the Homecoming Dance, and students are loving her energy and dedication!

In the classroom, Mrs. Martinez shines in our Plant Science program, creating absolutely gorgeous floral arrangements for everything from graduation to the Millsap Education Foundation Awards Luncheon. On top of that, her leadership in FFA is truly top-notch!

And as sophomore Cameron Carazza put it best: “She does a great job teaching and is very fair to ALL students.”

Thank you, Mrs. Martinez, for your hard work, creativity, and Bulldog spirit—we are so lucky to have you!

Millsap ISD Support Staff- Ms. LaNell Strain (Custodial Department)

LaNell is a dedicated and valuable part of the MISD custodial team. She always has a smile and good word for everyone. She stays flexible in her daily work and will stop whatever she is doing to go help when there is a need in another building. Millsap ISD is blessed to have her on staff.
