Frequently Asked Questions

- My child is receiving special education services. Do I have to move my child?
- My child is in 4th grade this year and will be a 5th grader next year. Does he or she have to move campuses?
- Will there be transportation to the new school?
- ✓ Special Education students are looked at on a case by case basis.
- ✓ 4th graders who will be 5th grade students in the fall may continue to attend their current school as long as the parent is willing to transport the student. Siblings of the 5th grader may request a transfer for 1 year only.
- ✓ Transportation will only be provided for those students in the designated area.

1. As the meeting goes tonight, please write down your questions on the comment cards.
2. We will collect these at the end of the meeting and try to address every question.
3. We will be collecting feedback. You are free to express your thoughts.
4. We will share these with our school board prior to their decision making.
