Re: Bid Results for Construction – Upper Elementary and Middle School Projects

As part of the Phase III 2013 Bond project, we will renovate Johnson Upper Elementary and Holmes Middle Schools this summer. We would like to discuss the responses received from the Request for Bids (RFB) at the next Building and Site Committee meeting on February 1, 2016.

The RFB for the renovation projects at Johnson Upper Elementary and Holmes Middle Schools was made available on December 21, 2015. Plante Moran Cresa, our Owner's Representative conducted a pre-bid meeting on January 5, 2016. The bid responses were due on January 19, 2016. Plante Moran Cresa is currently reviewing the information. The process for evaluation will be in accordance with the criteria that were established previously.

The bid responses will be available in the Business Office conference room for any Board member who would like to look at the documents provided by the various firms.

On Monday, February 1, 2016 at the Building and Site Committee meeting Plante Moran Cresa will present the results of their evaluation to the Board of Education and provide recommendations for next steps in the process of selecting the vendors to provide the Phase III construction projects at Johnson Upper Elementary and Holmes Middle Schools.
