

# January

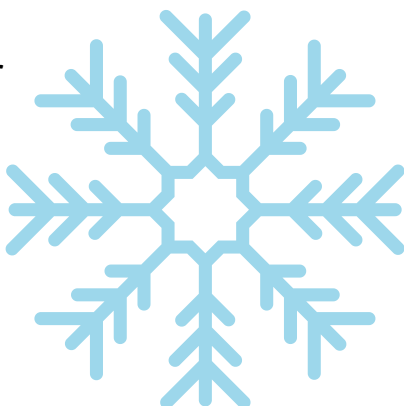

## Greetings Evergreen Families,

Welcome 2025!

I am glad to be back at school, though the break was restful it is nice to get back to hard work. Quarter two assessments will be occurring this month. Attendance is important in determining student growth. Thank you for making sure your student is here daily and on time.

Many people set New Year's resolutions. Using the new year to start new positive habits is always a great idea. Ideas like playing family games more often, reading nightly, or using cooking in the home to work on math are just a few ideas to try in 2025. I look forward to what this year holds. Thank you for allowing us to be part of it.

Sincerely,  
Jenny Mohr  
Principal
