Brooke Reeve is our March Teacher of the Month. She works tirelessly for kids. She took on STEM this year which completely changed what she was teaching. She continues to teach 8<sup>th</sup> grade Science, GT and coach TSA. When there was not a high school sponsor she took on coaching all the events for them. She continues to do whatever it takes for our kids on a daily basis. We are lucky to have her!!!!

Cindy Younger is our March Support Staff of the Month. She came to us after a tragedy on our campus. She stepped into a difficult role and position and has made the transition with ease. She has quickly earned the trust and support of our entire staff. She immediately made herself invaluable to VMS. We are so happy to add her to our campus.

Ashley Saenz is our 8<sup>th</sup> grade student of the month. She has really worked hard this year to make sure she is successful both academically and behaviorally. She strives daily to be the best she can be. We have seen her mature and become an outstanding young lady and a great example of a bulldog.
