

# **ThinkCERCA**

## **Meridian Board of Education**

### **Introduction**

Currently, we use ThinkCERCA as a language arts curriculum resource and benchmarking tool at MC and MJHS.

### **Background**

I spoke with Mrs. Simpson and Mrs. Speakes about the program, and both principals expressed the desire to reduce our subscription due to redundancy with another curriculum, Amplify. With STAR, it was decided that we no longer need ThinkCerca for benchmarking. Additionally, we have transitioned our writing program to the Amplify resource, so the only team who wanted to continue using ThinkCERCA is 8th grade. This change will save the district over \$20,000 per year.

### **Recommendation**

Approved the 1 Year ThinkCERCA Renewal

### **Enclosure**

25-26, IL, Meridian 1 Year Renewal

Dr. Michael Plourde
